- **I AGREE** to follow all cleanup instructions as stipulated by the local cleanup organizers/beach managers. I understand that I may be collecting various types of marine debris, including broken glass, metal pieces, and other materials that may cause injury if handled improperly. All materials of unknown contents, heavy weight or questionable safety (medical debris, chemical containers, 55 gallon drums) will be left in place untouched, the location noted and the beach manager informed. Coastsweep is a organization based on volunteers and bears has no responsibility for any injuries that occur during cleanup.
- **I AGREE to RELEASE** the Commonwealth of Massachusetts and the University (and its Board of Trustees, officers, employees, and agents) from any and all liability, claims and actions that may arise from injury or harm to me, in connection with my participation in this activity. I understand that this Release covers liability, claims and actions caused entirely or in part by any acts or failures to act of the University (or its Trustees, employees, or agents), including but not limited to negligence, mistake, or failure to supervise by the University.
